ABDOMEN and chest combined, wounds of, causing early fatality - - - - 194
— wounds of, causing early fatality - - 196
Abdominal operations, quinine and urea injections in - - - - - - - 34
— surgery at Prof. Henri Hartmann's clinic - 223
— — Sir A. Lane's clinic - - - - - 221
— — regional anæsthesia in (*see* Regional Anæsthesia)
Abnormal ulnar nerve in forearm, section of - 139
Abnormality, congenital, of female genito-urinary organs - - - - - - 377
Abyssinia, appendicitis in - - - - - 176
Achlorhydria in pernicious anæmia - - 336
Acute encysted hydrocele of the spermatic cord 40
Addison's anæmia (*see* Pernicious Anæmia)
Adhesions, pleural, found at autopsy in cases of early fatality seen at a casualty clearing station - - - - - - - - 195
Æneas wounded in thigh, and extraction of dart by Iapyx - - - - - - - - 7
Africa, appendicitis in - - - - - - 176
Age and sex incidence in appendicitis - - 189
— — — series of 500 goitre operations - - 413
Aleppo button (*see* Baghdad Boil)
America, appendicitis in - - - - - 176
American College of Surgeons, presentation of great mace to, by consulting surgeons of British armies - - - - - - - 237
Amœbic dysentery and fistula in ano, the former undiagnosed, case of - - - - - 529
Amputation, technique of re-amputation after 88, 92
Anæmia, pernicious, Addison's, or idiopathic (*see* Pernicious Anæmia)
— splenic (*see* Banti's Disease)
— in splenic disease - - - - - - 327
Anæsthesia in goitre operations - - - 438
— pre-operative use of morphine and other alkaloids in - - - - - - 34
— in Rammstedt's operation - - - - 400
— regional (*see* Regional Anæsthesia)
Anæsthetic in Babcock's operation for varicose veins - - - - - - - - - 487
— of choice in regional anæsthesia - - - 279
Anæsthetist, qualifications necessary in regional anæsthesia - - - - - - - - 279
Analgesia, 'splanchnic' (*see also* Regional Anæsthesia) - - - - - 278, 283
Anatomy and physiology of spleen - - - 313
— teaching in 16th century - - - - 245
Auerbach's plexus, condition in cystic dilatation of cæcum and intestinal stasis - 456
Aneurysms in neck - - - - - - 167
— traumatic, due to gunshot injuries - - 126
Angeiomatosis, capillary, of parotid gland - 481
Angioma, treatment by radiation - - 77, 79
Animals, appendicitis in - - - - - 177
Appendectomy, severe intestinal hæmorrhage following - - - - - - - 534
Appendicitis, acute, simulated by gall-stone with perforative cholecystitis - - 370
— — — inflammation of Meckel's diverticulum - - - - - - 136
— in Africa - - - - - - - 176
— age and sex incidence in - - - 174, 189
— in America - - - - - 176, 187
— — animals - - - - - - - 177
— — Asia - - - - - - - - 176
— causation - - - - - - - 171

PAGE

Appendicitis, cellulose-containing foods in relation to - - - - - - - - - 184
— distribution in community - - - - 174
— — national - - - - - 175, 187
— in Europe - - - - - - - 175
— hospital figures - - - - - - 172
— literature - - - - - - - 171
— in Polynesia - - - - - - - 177
— proximate causes of - - - - - - 185
— Registrar-General's returns of mortality - 171
— in relation to chronic intestinal stasis - - 186
— — concretions - - - - - - 186
— — dental caries and nasal sinusitis - - 183
— — other diseases - - - - - - 185
— — food preservatives - - - - - 184
— — food-stuffs - - - - - - 178
— — foreign bodies - - - - - - 186
— — kinks - - - - - - - 186
— — menstruation - - - - - - 186
— — *oxyuris* - - - - - - - 186
— — trauma - - - - - - - 186
— ultimate cause - - - - - - - 177
Appendix, acute obstruction of, due to carcinoma - - - - - - - - 392
— carcinoma of, causing diverticula of appendix and acute appendicular obstruction 392
— diverticula of, due to carcinoma - 392, 396
— intussusception of - - - - - - 227
Apprenticeship, surgical, in 16th century 243, 244
Artery, carotid, thrombosis following shell wound - - - - - - - - 200
— — traumatic aneurysm of - - 168–70
— hepatic, ligature of - - - - - - 532
— persistent vitelline, fatal intra-abdominal hæmorrhage from rupture of - - 478
— — — method of development - - - 479
Arthritis, acute, due to infection, loose bodies in joints resulting from - - 494, 499
Articular cartilage (*see* Cartilage)
Ascites due to chronic intussusception of several months' duration - - - - - 366
Asia, appendicitis in - - - - - - 176
Association of Surgeons of Great Britain and Ireland - - - - - - - - 1
— — — — — — inaugural address - - 6
Atheromatous carotid artery infected as a result of shell wound - - - - - 200
Atropine before operations - - - - - 34
Avian clubs - - - - - - - - 11
Axolotl and tiger salamander, effect of thyroid feeding - - - - - - - - 9

BABCOCK'S operation for varicose veins (*see also* Varicose Veins) - - - - 486
— — — — anæsthetic employed - - 487
— — — — details of 20 cases traced after operation - - - - 490
— — — — optimum position in - - - 487
— — — — simultaneous ligature and division of communicating veins - - 487
Baghdad boil, clinical types of - - 259, 260
— — diagnosis and treatment - - - 261
— — tartar emetic in - - - - - 261
Bananas in relation to appendicitis - - 180
Banti's disease and splenic anæmia, clinical history - - - - - - - - 349
— — — — diagram showing chief changes in 348
— — — — differential diagnosis - - 350
